Yangcheng Lake Hotel on 28th September

We are thrilled to announce to our fans and music lovers from all over the world that the 2023 edition of Montreux Jazz Festival China (MJFC) will be held in Suzhou at the prestigious Fairmont Yangcheng Lake Hotel from September 28th to Oct 2nd 2023. A splendid opening ceremony will be held on September 27th. Unlike the “Small and Beautiful” festival in 2021 which was held under the conditions of the Covid-19 pandemic, the 2023 edition is going to be a full five-day-music-vacation, attracting tens of thousands of visitors to physically experience the Spirit and DNA of Montreux!

We spent half a year looking for and selecting a suitable festival venue. Finally we are able to confirm that Suzhou Fairmont Yangcheng Lake Hotel will be the venue of MJFC 2023 edition. The Fairmont Yangcheng Lake Hotel boasts of beautiful scenery, complete supporting facilities and top-level dining facilities.

Montreux Jazz Festival China promises a “premium experience”. We are very much committed to offering five-star hospitality not only to all musicians, VIP guests, but also to festival visitors. From the moment they set feet on the venue, they will be taken care of by good hands. Visitors, musicians and guests will be surrounded by beautiful nature, good music and fine food in an atmosphere of total relaxation.

You are always welcome to join us on the journey of music, starting from Switzerland going to China.
